

The Las Floristas & Joan M. Wismer Educational Scholarship Fund

Las Floristas and the Joan M. Wismer Educational Scholarship Fund is dedicated to supporting students with disabilities or restraints help to provide access for higher education. The belief that “helping children reach their full potential” has been part of the Las Floristas mission for 80 years. The purpose of our Scholarship Fund is to provide scholarships to deserving students intending to pursue or complete a course of study at either a two-year, four-year educational institution or trade school.

Each year, the Scholarship Committee selects recipients to receive a \$10,000 scholarship renewable for up to an additional three years or more with an award ceiling of \$42,000. OR We will award two separate scholarships with an award ceiling of \$42,000 over the course of time with a maximum of \$10,500 given each year. Tuition and other campus costs are addressed, but assistance is also aimed at transportation and additional expenses that impact the individual student. We understand that a two year educational institution or trade school may not take as long or will not need the maximum amount. Please Note: Tuition expenses will be paid directly to the institution, not the student. Funds will be sent as required upon receiving a certificate or confirmation of enrollment which included the Student ID number and Financial Aid Office address if applicable. Other expenses can be submitted with receipt by the student but need to be approved. If there is any question of what expenses is eligible please ask.
